Subject: Malta Spring Market

As you all know we hosted a show in November of 2025, which was a huge success! We are happy to announce the Malta Spring Market will be making its debut on May 30, 2026! This market will be the perfect mix of craft show and farmer's market! This show has had an incredibly high interest, so we suggest getting the applications in as soon as possible.

Applications may be mailed, emailed, or brought in person and will be reviewed in the order we receive them.

This show will be an **INDOOR/OUTDOOR** event. We will offer **60 indoor spots and 75 outdoor spots**. Registration will begin on January 12, 2026.

The indoor spots will go quickly and will be given on a first come first serve basis. Please indicate on the application if you would like an indoor spot or outdoor spot. In the event the indoor spots are filled, you will be offered an outdoor spot. No charge will be made until we receive confirmation that you would like an outdoor spot. **You MUST submit photos of your work with the application to be considered.**

Please allow for 2 weeks to process your application and see if your products will fit into our show. You will receive a letter stating whether you have been accepted. In the event of rejection, no payment will be taken, and you will receive a letter stating why you have been rejected.

Thank you for all your interest in this event!
