

# S'MORES SNACK MIX

Summer is here and this s'mores snack mix is easy and quick to make! If you aren't camping outside and making s'mores around the fire, this is a perfect snack to make inside and would even be fun to bring camping if you don't want the mess of sticky toasted marshmallows! You could even add M&M's to make this treat colorful and extra fun!

## INGREDIENTS

**Honey Teddy Grahams:** You can use the honey-flavored Teddy Grahams for a traditional and authentic s'mores flavor or you could use cinnamon or chocolate-flavored Teddy Grahams.

**Marshmallows:** Soft and fresh miniature marshmallows work best for this recipe.

**Chocolate:** Semi-sweet, milk chocolate or dark chocolate chips would work perfectly with this recipe. Milk chocolate gives a smooth and sweet flavor that pairs perfectly with the grahams and sweet marshmallows.

**Mix all together and enjoy!**
