Ingredients

- Oreo cookies
- 2 packages 3.4 oz. each Jello instant vanilla pudding
- 1 cup powdered sugar confectioner's sugar
- 3 cups milk
- 8 oz. cream cheese softened
- 1/2 cup butter
- 1 tsp. vanilla
- 12 oz. whipped topping Cool Whip
- Gummy worms

Instructions

1. Crush the Oreos in a plastic bag
2. In a bowl, blend the cream cheese, butter and vanilla together on medium speed until light and fluffy
3. In a separate bowl, whisk the pudding and milk together for two minutes. Fold in the whipped topping
4. Blend the pudding mixture into the cream cheese mixture and combine well

5. Place a layer of cookie crumbs into each terra cotta pot. Place a layer of pudding mixture on top
6. Continue to layer mixture and cookies, ending with the cookies on top.
7. Place in fridge for a few hours to set.
8. Add gummy worms to the top

Spring Dirt Cake Recipe

You can put the cake into any container but I think that it is super cute in terra cotta pots. You just want to make sure that you line the pots with plastic wrap first so the cake isn't touching the pot. The pots that I used were about 6" in diameter.

This recipe is perfect for anything Spring related. Think garden party, Mother's Day, kid's birthday party, even brunch.
