Ingredients

- 15 Oreo sandwich cookies
- 4 ounces cream cheese, at room temperature
- 4 tablespoons unsalted butter, at room temperature
- 1/2 cup powdered sugar
- 1 teaspoon vanilla extract
- 1 1/2 cups whole milk
- 1 (3.9-ounce) package instant chocolate pudding mix
- 1 (8-ounce) container Cool Whip, thawed
- 18 gummy worms

Special Equipment

- 6 (5- to 6-ounce) clear cups

Method

1. Prepare the Oreo crumbs:
Place the Oreos into a large zip top bag. Seal it, leaving a small opening for the air to escape. Use a rolling pin to crush the cookies into gravel-sized crumbs.
You can also do this in a food processor—just pulse it.
2. Make the cream cheese mixture:
Add the cream cheese, butter, powdered sugar, and vanilla extract in a large bowl and use a handheld mixer to beat on medium-high speed until light and fluffy, 3 to 4 minutes. Set aside.
3. Make the pudding mixture:
In a medium bowl, whisk the milk and pudding mix until combined and thickened. Use a rubber spatula to gently fold in the Cool Whip.
4. Combine:
Scrape the pudding mixture into the cream cheese mixture, and mix until smooth and fully combined.
5. Layer and decorate:
Add 2 tablespoons Oreo crumbs into the bottom of each cup. Top with about 1/4 cup pudding. Repeat until filled, ending with crumbs on top. Garnish with gummy worms.
