I hereby grant permission for my child to participate in the Malta Summer Recreation Program and acknowledge all rules, regulations and directives of the program. I have received the parent handbook and will familiarize myself with the program guidelines.
 _____ (Please initial)

I assume, for and on behalf of my child, all risks and hazards incidental to such participation. I also recognize the difficulties and challenges involved in the outdoor, sports programs and camps, and that my child is sufficiently physically and psychologically fit to participate and has not been advised otherwise by a physician. Although the Town of Malta endeavors to provide nut free programs, I understand that the Town cannot guarantee that the program or the premises in which it is held is totally free of exposure to nuts and nut-products.

I agree to indemnify and hold harmless the Town of Malta, its employees and personnel from any and all claims, causes of action, liability for injuries or damages which may arise as a result of participating in this summer recreation program and its trips and activities, including, but not limited to, reasonable attorney's fees and the costs and disbursements of any legal actions. I do hereby waive, relinquish, release, discharge, and hold harmless from any and all liability, for any physical or mental injury or aggravation of any pre-existing illness, handicap, death, loss of enjoyment, or any other harm or loss of nature which may be sustained by my child while participating in the Summer Recreation Program. The scope of this agreement extends to any actions taken by the Town of Malta Parks

Expectations for Counselors and CITs

Town of Malta Parks, Recreation & Human Services
Creating Community through People, Parks & Programs

- * Assist with our summer camps under the guidance of camp staff. CITs are not permitted to supervise campers on their own or discipline children on their own.
- * Speak appropriately to parents, children and your supervisors. Also, listen with respect when someone else is speaking.
- * Behave professionally while on town property or wearing a camp shirt (this includes while you're representing the town on a field trip or anywhere outside of the town).
- * Arrive 30 minutes prior to the start of the camp day and leave only after checking out with the head counselor in your group.
- * Assist counselors in planning appropriate activities and crafts that match the skill level of the children. Remember, you are not playing with your peers!
- * Greet all parents and campers with a smile. Make every camper feel welcome.
- * If a parent has a question and you do not have an answer, direct them to the counselor in your group. Do not make assumptions and do not pass along false information. There is no such thing as a stupid question.
- * Bring a /snack or lunch when appropriate, sunscreen, backpack, water bottle, and closed-toed shoes every day.
- * Provide positive information about town services. Promote the Department, its employees, and programs! The camp's success depends on your everyday actions.
- * Complete all registration and emergency forms required for camp. Attend orientation prior to the start of camp.
- * Personal cell phones are not allowed at any time during camp. Phones should be turned off throughout the camp day and not taken out at any point unless special permission is given by your supervisors.
- * Follow the dress code at all times or you will be asked to change.
- * Do not post pictures or comments concerning camp on Facebook, Twitter, or other social-media outlets.
- * Be consistent when enforcing the rules. Do not show favoritism toward one child over another.
- * In the event you need to be absent from camp, let the head counselor in your group know at least two days in advance or call the park department at 518-899-4411.
- * Be a team player! We are nothing without each other. We can only succeed when everyone performs their role. Take responsibility for your actions. Attitude is a choice. Choose it carefully.
- * Be a positive role model and exhibit appropriate behavior.
- * Bring **ENERGY** and **ENTHUSIASM** with you every day!

I understand and agree to abide by the above Expectations:

MEDICATION AUTHORIZATION FOR THE USE OF EPI-PENS &/OR INHALERS

This form is to be filled out **ONLY** if your child needs to carry an epi-pen or an inhaler and must be completed by your child's physician.

The Town of Malta Summer Recreation Program is a day camp and Malta staff is not allowed to dispense medication. The Department of Health regulations prohibit the administration of medicine, including but not limited to Benadryl, Tylenol, aspirin, Advil, or Motrin by an unlicensed individual. The two exceptions are asthma inhalers and epi-pens which camp personnel are permitted to assist in administering. This form is for permission to carry **ONLY** epi-pens and/or inhalers. No other medication can be brought to camp.

*** It is important that your child is educated about the signs and treatment of anaphylaxis as this knowledge will significantly improve the safety of your child. You are required to bring your child into the Department of Parks, Recreation and Human Services office to demonstrate that they can self-administer the epi-pen and/or inhaler and they can tell people around them about their allergy and what they can do in the event of an emergency (for example, notify a counselor of an exposure, any trouble breathing, etc.). This is required before camp starts or your child may not be allowed to attend camp.**
