I assume, for and on behalf of my child, all risks and hazards incidental to such participation in programming. I also recognize the difficulties and challenges involved in the outdoor, sports programs and camps, and that my child is sufficiently physically and psychologically fit to participate and has not been advised otherwise by a physician. Although the Town of Malta endeavors to provide nut free programs, I understand that the Town cannot guarantee that the program or the premises in which it is held is totally free of exposure to nuts and nut products.

I agree to indemnify and hold harmless the Town of Malta, its employees and personnel from any and all claims, causes of action, liability for injuries or damages which may arise as a result of participating in this program and its trips and activities, including, but not limited to, reasonable attorney's fees and the costs and disbursements of any legal actions. I do hereby waive, relinquish, release, discharge, and hold harmless from any and all liability, for any physical or mental injury or aggravation of any pre-existing illness, handicap, death, loss of enjoyment, or any other harm or loss of nature which may be sustained by my child while participating in the program. The scope of this agreement extends to any actions taken by the Town of Malta Parks & Recreation Department, the Town of Malta, its employees, personnel, volunteers, and the instructor of any class or activity in responding to any emergency and/or medical situation or event. You are required to bring your child into the Department of Parks, Recreation and Human Services office to either; demonstrate that they can self-administer the EpiPen and/or inhaler or, if they are too young, to demonstrate that they can tell people around them about their allergy and what they can do in the event of an emergency (for example, notify their counselor of an exposure, any trouble breathing, etc).
